
UNO Home Controller

“UNO”
The home controller that Matters

Home security

Lighting

“ More & More smart home devices are entering the living room.

Wireless Audio

Thermostats

19

Smart blinds

Smart plug

How to Control?

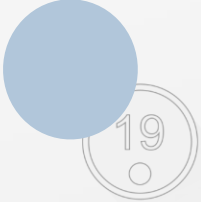

Most consumers use only limited functions on daily basis

Tactile control is preferred for basic functions

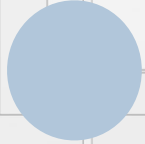

Voice interfaces have limitations
(eg. Privacy & Understanding)

Home security

Thermostats

Smart blinds

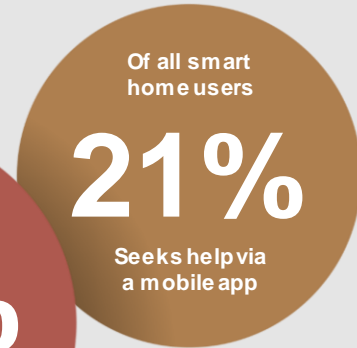

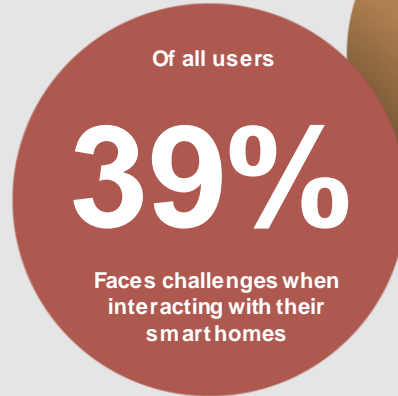

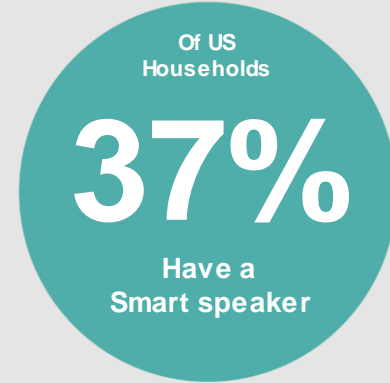

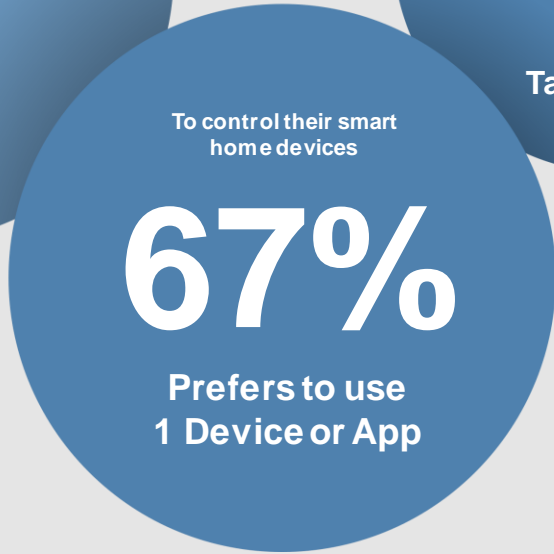

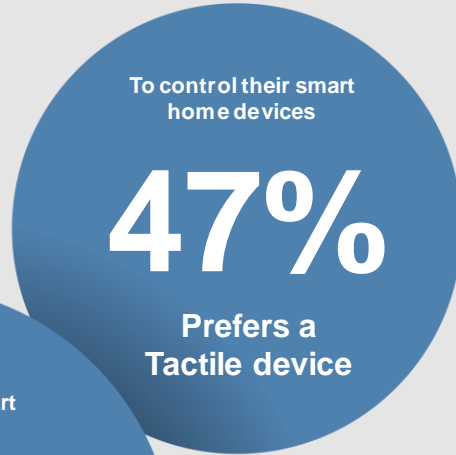

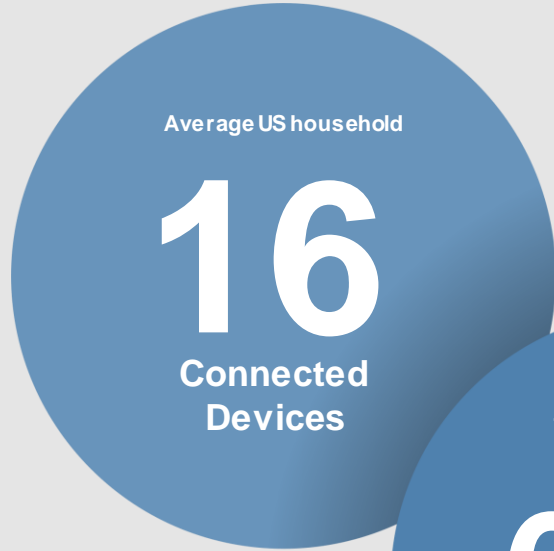

Smart plug

User insights*
